### **NEW NOTICE EACH WEEK**

#### **SOCIAL JUSTICE STATEMENT**

Everything is connected and rapid today, but the frenetic scramble for money is accompanied by an interior frailty that is ever more acute, and by an increasingly evident disorientation and loss of meaning. What I care about is an economy that is more humane, that has a soul, and not a reckless machine that crushes human beings. Too many people today are without work, dignity or hope; and still others are oppressed by inhuman demands of production that empty human relations and have a negative impact on both family and personal life. Sometimes, when I exercise the ministry of Confession, there are young people who have children, and I ask them: “Do you play with your children?” And many times the answer is: “Father, I don’t have time... When I leave home to go to work they are still asleep, and when I return home they are already in bed”. This is inhuman: this vertigo of inhuman work. The economy that was established to “look after the home”, has become dehumanized; instead of serving humanity, it enslaves us, subjugates us to monetary mechanisms that are ever more distant from real life and increasingly difficult to control. - *Pope Francis 18th May 2019*

### **TAKE A RISK AND GIVE THE GIFT OF FAITH**

In our parish, there is a team of volunteers that take a risk and step out in faith. NSW Government schools do not provide lessons that teach the basic message about Jesus, our faith, and the great adventure that life can be with God. We were all given our gift of faith by someone—someone who stepped-up for us so that we would know Jesus. Each week of the school year, catechists present 30-minute lessons using a step-by-step lesson plan that helps Catholic children understand their faith, grow in love and maturity, and learn what it means to be Catholic. Take a risk and give the gift of faith. Become a catechist teacher or helper today!

For more information, ask your parish priest or please call (02) 4640 8550
