## **NEW NOTICE EACH WEEK**

### **SOCIAL JUSTICE STATEMENT**

I like to think of each family as an "icon of the Holy Family of Nazareth. Its daily life had its share of burdens and even nightmares, as when they met with Herod's implacable violence. This last was an experience that, sad to say, continues to afflict the many refugee families who in our day feel rejected and helpless" (*Amoris Laetitia*, 20). Through the faith built up by daily struggles, they are able "to turn a stable into a home for Jesus, with poor swaddling clothes and an abundance of love" (*Evangelii Gaudium*, 286). Material things are needed, they are necessary, yet they are not the most important thing. For this reason, we must never lose the ability to caress, never lose the ministerial tenderness and the tenderness of religious consecration. - Pope Francis 7th May 2019

### **TAKE A RISK AND GIVE THE GIFT OF FAITH**

In our parish, there is a team of volunteers that take a risk and step out in faith. NSW Government schools do not provide lessons that teach the basic message about Jesus, our faith, and the great adventure that life can be with God. We were all given our gift of faith by someone—someone who stepped-up for us so that we would know Jesus. Each week of the school year, catechists present 30-minute lessons using a step-by-step lesson plan that helps Catholic children understand their faith, grow in love and maturity, and learn what it means to be Catholic. Take a risk and give the gift of faith. Become a catechist teacher or helper today!
