NSW Government schools do not provide lessons that teach the basic message about Jesus, our faith, and the great adventure that life can be with God. We were all given our gift of faith by someone—someone who stepped-up for us so that we would know Jesus. Each week of the school year, catechists present 30-minute lessons using a step-by-step lesson plan that helps Catholic children understand their faith, grow in love and maturity, and learn what it means to be Catholic. Take a risk and give the gift of faith. Become a catechist teacher or helper today! For more information, ask your parish priest or please call 4640 8550.</p>
