

Empowering parents to take action—
a fun way to have a serious conversation.

HOW TO FOLD YOUR CHATTERBOX:

1. **Cut out the square** from the template and place picture-side down.
2. **Fold the square diagonally** from one corner to the opposite corner. Unfold, then fold diagonally the other way and unfold again. (You should now see an “X” crease pattern.)
3. **Fold each corner** into the centre of the square, forming a smaller square. Press down each fold firmly.
4. **Flip the paper over**, then again fold each corner into the centre. You’ll now have an even smaller square.
5. **Fold the square in half**, edge to edge, then unfold. Repeat in the other direction. (This helps the chatterbox open and close more easily.)
6. **Slip your fingers under the flaps**, then gently pinch together to form the 3D chatterbox shape.

HOW TO USE THE CHATTERBOX:

1. **Ask someone to choose a symbol**— Cross †, Star ★, Dove ⚪, or Fish ⚪.
2. **Open and close the chatterbox** as you count the number shown under the chosen symbol.
3. **Let them choose a colour**, then spell out the colour name while moving the chatterbox again.
4. **Ask them to choose one more colour**. Lift the flap and ask the question underneath.
