Continuing	Understanding the Billings Ovulation Method® The Billings Ovulation Method® helps couples understand the natural signs of fertility and infertility. Through this knowledge, couples can plan their families in a way that is fully consistent with Catholic teaching—whether to achieve, space, or avoid pregnancy, or to improve their chances of conceiving if they are trying for a baby. This natural method encourages deeper communication and mutual respect within marriage, while supporting reproductive health through a simple, science-based approach that honours God's design.
