NEW each week	<p>Social Justice Points The mentality of maximum gain at minimal cost, disguised in terms of reasonableness, progress and illusory promises, makes impossible any sincere concern for our common home and any real preoccupation about assisting the poor and the needy discarded by our society. In recent years, we can note that, astounded and excited by the promises of any number of false prophets, the poor themselves at times fall prey to the illusion of a world that is not being built for them. <i>- Laudate Deum – Pope Francis - To All People of Good Will on The Climate Crisis</i></p>
