NEW	<p><b>Social Justice Statement</b></p> <p><i>Lent is a journey opening our hearts and bringing us to right relationship with one another:</i> “A right relationship with people consists in gratefully recognizing their value. Even the poor person at the door of the rich is not a nuisance, but a summons to conversion and to change. The parable first invites us to open the doors of our heart to others because each person is a gift, whether it be our neighbour or an anonymous pauper. Lent is a favourable season for opening the doors to all those in need and recognizing in them the face of Christ. Each of us meets people like this every day. Each life that we encounter is a gift deserving acceptance, respect and love. The word of God helps us to open our eyes to welcome and love life, especially when it is weak and vulnerable. But in order to do this, we have to take seriously what the Gospel tells us about the rich man.” (<a href="#">Pope Francis Lenten Message 2017</a>).</p> <p><a href="https://justiceandpeace.org.au/lent-easter-social-justice">https://justiceandpeace.org.au/lent-easter-social-justice</a></p>
