| <b>NEW each week</b> | <p><b>Social Justice Points</b></p> <p>Without a doubt, the natural resources required by technology, such as lithium, silicon and so many others, are not unlimited, yet the greater problem is the ideology underlying an obsession: to increase human power beyond anything imaginable, before which nonhuman reality is a mere resource at its disposal. Everything that exists ceases to be a gift for which we should be thankful, esteem and cherish, and instead becomes a slave, prey to any whim of the human mind and its capacities.</p> <p><i>- Laudate Deum – Pope Francis - To All People of Good Will on The Climate Crisis</i></p>  |               |
