NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

I Reporting fund

The Catholic Development Fund, Diocese of Wollongong (the "Fund") is a not for profit fund domiciled in Australia. The address of the Fund's registered office is 38 Harbour Street, Wollongong. The Fund is a financial co-operative of the Catholic Church in the Diocese of Wollongong, raising funds from all Diocesan agencies, other Catholic entities throughout the Diocese and anyone supportive of local Catholic communities.

These funds are made available to provide for the loan finance requirements of the Diocese for projects including the construction and/or renovation of Churches, presbyteries and schools and the acquisitions of items of plant & equipment.

In the opinion of the Diocesan Finance Council, the Fund is not a reporting fund. The financial report of the Fund has been drawn up as a special purpose financial report for distribution to Bishop Brian Mascord. Bishop of Wollonsons.

II Basis of Preparation

(a) Statement of Compliance

The special purpose financial report has been prepared in accordance with the recognition, measurement and classification aspects of all applicable Australian Accounting Standards ("AASBs") (including Australian Accounting Interpretations) adopted by the Australian Accounting Standards Board ("AASB").

(b) Basis of Measurement

The financial statements have been prepared on the historical cost basis except for financial instruments at fair value through profit or loss which are measured at fair value.

The financial report does not include the disclosure requirements of all AASBs except for the following minimum requirements:

AASB 101 Presentation of Financial Statements

AASB 107 Statement of Cash Flows

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1048 Interpretation of Standards

AASB 1054 Australian Additional Disclosures

(c) Functional and Presentation Currency

These financial statements are presented in Australian dollars, which is the Fund's functional and presentation currency.

(d) Use of Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances.

The resulting accounting judgements and estimates will seldom equal the related actual results.

The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

In determining the recoverability of loans and advances, management have exercised judgement, using historical write-off of balances, whether security is held over receivables, and any plans that borrowers have in place to ensure that older amounts past due but not impaired can be repaid.

Management used an external valuer to assess the fair value of investment property before the property was purchased.

Coronavirus (COVID-19) pandemic

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the Fund based on known information. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the Fund unfavourably as at the reporting date or subsequently as a result of the Coronavirus (COVID-19) pandemic.

III Significant Accounting Policies

(a) Financial Instruments

(i) Non-Derivative Financial Instruments

Cash & Cash Equivalents

Cash and cash equivalents comprise cash balances in the Fund's bank account and cash on hand. Any bank overdrafts that are repayable on demand and form an integral part of the Fund's cash management are included as a component of cash and cash equivalents for the purposes of the statement of cash flows.

Financial assets at fair value through profit or loss

An instrument is classified at fair value through profit or loss if it is held for trading or is designated as such upon initial recognition. Financial instruments are designated at fair value through profit or loss if the Fund manages such investments and makes purchase and sale decisions based on their fair value in accordance with the Fund's documented risk management or investment strategy. Upon initial recognition, attributable transaction costs are recognised in profit or loss when incurred. Financial instruments at fair value through profit or loss are measured at fair value, and changes therein are recognised in profit or loss.

CATHOLIC DEVELOPMENT FUND

DIOCESE OF WOLLONGONG NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (con't)

III Significant Accounting Policies (con't)

(a) Financial Instruments (con't)

(i) Non-Derivative Financial Instruments (con't)

Financial assets at amortised cost

If the Fund has the positive intent and ability to hold debt securities to maturity, then they are classified as financial assets at amortised cost. These assets are initially measured at fair value plus transaction costs that are directly attributable to the acquisition or issue of the financial asset. Subsequent to initial recognition, they are measured at amortised cost using the effective interest method, less any impairment losses.

Loans, advances and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

Loans, advances and receivables are initially recorded at fair value plus any directly attributable transaction costs. Subsequent measurement is at amortised cost using the effective interest rate method, after assessing required provisions for impairment as described in note III(d).

Term deposits with financial institutions are unsecured and have a carrying amount equal to their principal amount. Interest is paid on the daily balance at maturity. The accrual of interest receivable at balance date is calculated on a proportional basis of the expired period of the term of the investment.

Trade and Other Receivables

Trade and other receivables are stated at amortised cost.

Financial Liabilities

The Fund recognises financial liabilities, being client savings and term deposits, on the date they are originated. Financial liabilities are initially measured at fair value plus transaction costs, and are subsequently measured at their amortised cost using the effective interest method. Savings and term deposits are stated at the aggregate amount of monies owing to depositors. These are reported at the principal amount lodged.

The Fund derecognises financial liabilities when its contractual obligations are discharged or cancelled. Interest payable is recognised in profit or loss using the effective interest method. Interest on client savings and term deposits is calculated on the daily balance and is posted to the depositor's account quarterly or at maturity.

Such interest is accrued on the basis of the interest rate, the terms and conditions applicable to each savings and term deposit accounts which are varied from time to time.

Trade and Other Pavables

Trade and other payables are stated at their fair value and are recognised for goods or services received, whether or not billed to the Fund.

Trade payables are non-interest bearing and are normally settled on $30\ day\ terms$.

(b) Property, Plant and Equipment

(i) Recognition and Measuremen

Items of plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognised net within "other income" in profit or loss.

CATHOLIC DEVELOPMENT FUND

DIOCESE OF WOLLONGONG NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (con't)

III Significant Accounting Policies (con't)

(b) Property, Plant and Equipment (con't)

(ii) Subsequent Costs

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Fund and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

(iii) Depreciation

Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment. The depreciation rates for each class of depreciable asset are as follows:

* Motor vehicles 25%

* Furniture & fittings 15%

* Office machines & equipment 20%

* Computers 33.33%

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

(c) Investment Property

Investment properties principally comprise of freehold land and buildings held for long-term rental and capital appreciation that are not occupied by the company. Investment properties are initially recognised at cost, including transaction costs, and are subsequently remeasured annually at fair value. Movements in fair value are recognised directly to profit or loss.

Investment properties are derecognised when disposed of or when there is no future economic benefit expected.

(d) Impairment

(i) Financial Assets

All of the financial assets at amortised cost are considered to have low credit risk and the loss allowance recognised during the period was therefore limited to 12 months expected losses.

The instruments are considered to be low risk when they have a low risk of default and the issuer has a strong capacity to meet its contractual cash flow obligations in the near term.

The financial assets at amortised cost include receivables, loans, advances and investment securities. Applying the expected credit risk model didn't result in regonition of any loss allowance.

(ii) Non-Financial Assets

The carrying amounts of the Fund's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the

An impairment loss is recognised if the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in profit or loss.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

CATHOLIC DEVELOPMENT FUND

DIOCESE OF WOLLONGONG NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (con't)

III Significant Accounting Policies (con't)

(e) Employee Benefits

(i) Short-Term Benefits

Liabilities arising in respect of wages and salaries, annual leave and any other employee benefits expected to be wholly settled within twelve months of the reporting date are measured at their notional amounts based on remuneration rates which are expected to be paid when the liability is settled plus related on-costs. When it is expected that these employee benefits will be settled after twelve months from the reporting date, they are measured at present value.

(ii) Long-Term Employee Benefits

The Fund's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods plus related on-costs; that benefit is discounted to determine its present value. The discount rate is the yield at the reporting date on government bonds that have maturity dates approximating the terms of the Fund's obligations.

(iii) Defined Contribution Plan

A defined contribution plan is a post-employment benefit plan under which the Fund pays fixed contributions into a separate Fund and will have no legal or constructive obligations to pay further amounts.

Obligations for contributions to defined contribution superannuation plans are recognised as a personnel expense in the profit and loss when they are due.

(f) Revenue

(i) Revenue from Financial Assets

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured.

Interest income is recognised in profit or loss as it accrues, using the effective interest method.

Dividend income is recognised in profit or loss on that the date that the Fund's right to receive income is established, which in the case of quoted securities is the ex-dividend date

(ii) Other Revenue

Other revenue is recognised when received.

iii) Rent

Rent revenue from investment properties is recognised on a straight-line basis over the lease term. Lease incentives granted are recognised as part of the rental revenue. Contingent rentals are recognised as income in the period when earned.

(g) Lease Payments

Payments made under operating leases are recognised in profit or loss on a straight line basis over the term of the lease.

(h) Income Taxes

The Catholic Development Fund is exempt from income tax under Division 50 - 5 of the Income Tax Assessment Act, 1997.

(i) Goods and Services Tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST excluded.

The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which are recoverable from or payable to the ATO are classified as operating expenses.

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (con't) III Significant Accounting Policies (con't)

(j) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the company for the annual reporting period ended 31 December 2020. The Fund's assessment of the impact of these new or amended Accounting Standards and Interpretations, most relevant to the Fund, are set out below.

Conceptual Framework for Financial Reporting (Conceptual Framework)

The revised Conceptual Framework is applicable to annual reporting periods beginning on or after 1 July 2021 and early adoption is permitted. The Conceptual Framework contains new definition and recognition criteria as well as new guidance on measurement that affects several Accounting Standards. Where the company has relied on the existing framework in determining its accounting policies for transactions, events or conditions that are not otherwise dealt with under the Australian Accounting Standards, the company may need to review such policies under the revised framework.

At this time, the application of the Conceptual Framework is not expected to have a material impact on the company's financial statements.

(k) Current / non-current assets and liabilities

The balance sheet is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and do not distinguish between current and non-current.

IV Determination of Fair Value

A number of the Fund's accounting policies and disclosures require the determination of fair values, for both financial and non-financial assets and liabilities. When measuring the fair value of an asset or liability, the Fund uses market observable data as far as possible.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability,

either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability might be categorised in different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Fund recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Significant valuation issues are reported to the Bishop.

NOTE 11 - FINANCIAL INSTRUMENTS (con't)

(b) NET FAIR VALUE OF FINANCIAL ASSETS AND LIABILITIES

The net fair value of cash and cash equivalents and non-interest bearing monetary financial assets and financial liabilities approximates their carrying value.

The net fair value of other monetary financial assets and financial liabilities is based on market prices where a market exists or by discounting expected future cash flows by the current interest rates for assets and liabilities with similar risk properties.

The carrying amounts and net fair values of financial assets and liabilities at balance date are as follows:

Cash and Jajoul Assets 13,118 7,370,22 13,118 7,370,37 13,108		Carrying Amount 2021	Carrying Amount 2020	Net Fair Value 2021	Net Fair Value 2020

The Fund is in the financial services industry and all assets/liabilities in the statement of financial position are presented in order of liquidity. The Fund does not forecast any problems with being able to meet its debts as and when they fall due, payable in the normal course of business. Therefore, the Funds financial statements are prepared on a going concern basis.

NOTE 13 – INVESTMENT PROPERTY

	Valuation	2021	2020
	Method		
3 / 6 McMillan Street, Helensburgh	Valuation	840,000	840,000

Property was purchased during 2020. An independent valuation was completed at the time of purchase, the valuer holds a recognised and relevant professional qualification.

NOTE 14 - RELATED PARTY TRANSACTIONS

The Fund's core business is to lend funds to parishes, schools and diocesan groups. These groups within the diocese are considered related parties and make up a significant portion of both assets and liabilities of the Fund.

During the year various transactions were conducted between the fund and its related parties, all of which have been considered to be arms length transactions.

NOTE 15 - CHANGE TO IMPACT OF COVID-19

On 11 March 2020, the World Health Organisation ("WHO") declared the Coronavirus disease 2019 (COVID-19) a pandemic. The pandemic has adversely affected the global economy, including an increase in unemployment, decrease in consumer demand, interruptions in supply chains, and tight liquidity and credit conditions. Consequently, governments around the world have announced monetary and fiscal stimulus packages to minimise the adverse economic impact. However, the COVID-19 situation is still evolving, and its full economic impact remains uncertain.

Details of assets affected by estimates and assumptions as disclosed in Note II(d) to the financial statements. An estimate of the impact of COVID-19 on these assumptions and consequently whether any impairment of financial assets in future will be required cannot be made.

The impact of the Coronavirus (COVID-19) pandemic is ongoing, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is rapidly developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

NOTE 16 – SUBSEQUENT EVENTS

There have been no events subsequent to balance date which would have a material effect on the Fund's financial report at 31 December 2021.

CATHOLIC DEVELOPMENT FUND DIOCESE OF WOLLONGONG

Statement by the General Manager and Diocesan Financial Controller

- 1 In the opinion of the General Manager and Diocesan Financial Controller, the Catholic Development Fund Diocese of Wollongong
- (a) is not a reporting Fund;
- (b) the financial statements and notes thereto, set out on pages 2 to 17, are drawn up, in accordance with the basis of accounting described in Note 1, so as to present fairly the financial position of the Catholic Development Fund as at 31 December 2021 and its performance, as represented by the results of its operations and its cash flows, for the financial year ended on that date; and
- (c) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable.
- (d) kept such accounting records as to correctly record and explain its transactions and financial position; and
- (e) kept its accounting records so that a true and fair financial report of the Catholic Development Fund can be prepared.

Dated at Wollongong the 25th day of May 2022.

Tony Sanderson General Manager Nicholas Dyball

Diocesan Financial Controller

Independent Auditor's Report to the Members of Catholic Development Fund

REPORT ON THE AUDIT OF THE FINANCIAL REPORT

Opinion

We have audited the financial report of Catholic Development Fund - Diocese of Wollongong ("the Fund"), which comprises the statement of financial position as at 31 December 2021, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Statement by the General Manager and Diocesan Financial Controller.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of the Fund as at 31 December 2021, and its financial performance and its cash flow for the year then ended in accordance with the accounting policies described in Note 1 of the financial statements.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Fund meet the requirements of Note 1. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and the Advisory Council for the Financial Report -

Management is responsible for the preparation of the special purpose financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 of the financial report is appropriate to meet the requirements of the *Australian Charities and Not-for Profits Commission Regulations 2013* and the *Australian Charities and Not-for-profits Commission Act*. Management's responsibility also includes such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Entity or to cease operations, or have no realistic alternative but to do so.

The advisory council are responsible for overseeing the Entity's financial reporting process.

HLB Mann Judd Assurance (NSW) Ptv Ltd ABN 96 153 077 215

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Advisory Council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
