

## REQUEST FOR PERMISSION FOR MARRIAGE OUTSIDE OF A PARISH CHURCH

*This form is for use in conjunction with a Catholic wedding liturgy conducted by a Catholic priest or deacon*

**This request should be lodged before any booking is made with a wedding venue**

*Requests for weddings to take place in Catholic chapels are usually granted*

*Weddings between a Catholic and a non-baptized party are to take place in a church or a suitable place [canon 1118 §3] Weddings between a Catholic and another Christian are to be celebrated in a church, unless there are serious reasons why this cannot happen Weddings between two Catholic may be celebrated outside a Catholic church only in extraordinary and serious circumstances*

*Because a wedding venue has been booked and a deposit paid is not a serious reason why permission will be granted for that venue*
