

Professional Development Program

DIOCESAN LEADERSHIP IN 2024

CATHOLIC DIOCESE OF
WOLLONGONG

Safeguarding in the Diocese of Wollongong

As leaders for the Catholic Diocese of Wollongong, **at the centre of each of our vocations and professions is Christ.**

In coming together for these professional development opportunities, we go forward together with hope and humility.

Let us seek the guidance, patience and Wisdom of our Heavenly Father as we utilise the talents, skills and gifts He has given us to ensure the safety of all His children.

Acknowledgment of Country

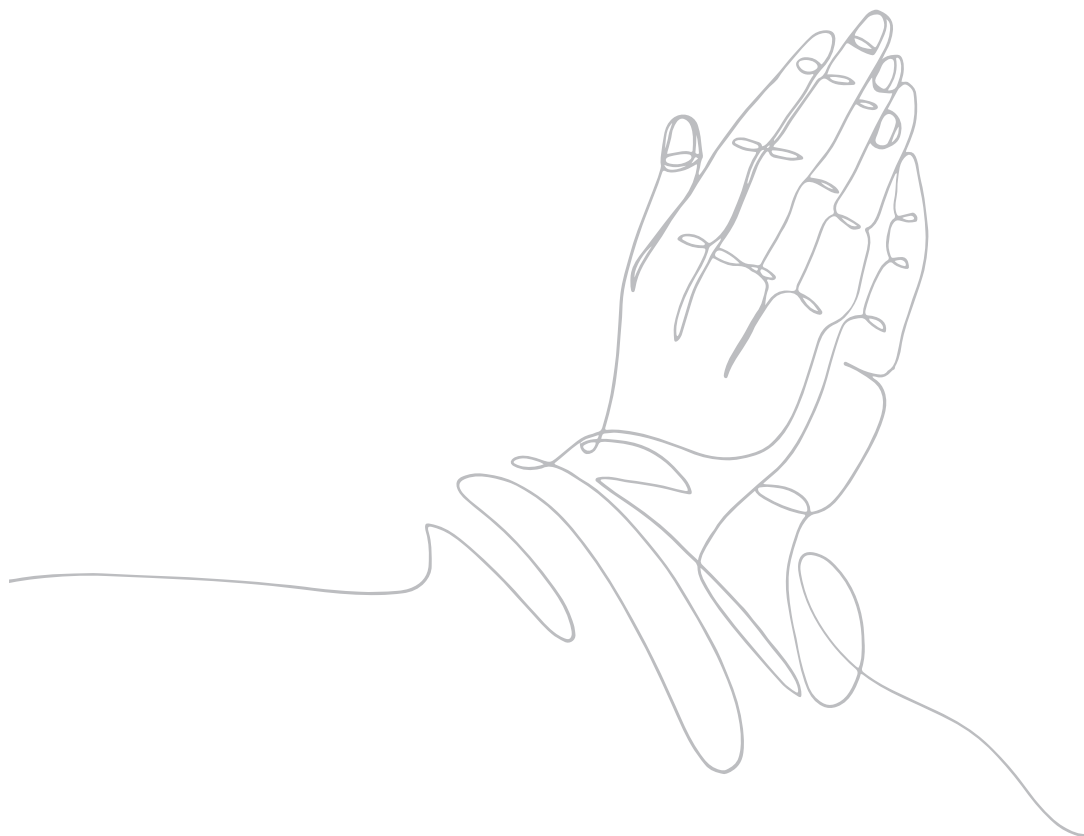

We begin by acknowledging the Country upon which we call the home of the Diocese of Wollongong. We honour the Traditional Custodians of this land—the Dharawal, Gundungurra and Yuin nations—who have, over millennia, cared for and worked in harmony with our common home. We pay our respects to Elders past, present and emerging, and commit ourselves to the ongoing journey of just recognition and reconciliation.

As we pray and discern what the future holds for the local Church of the Diocese of Wollongong, may we walk gently and thoughtfully on this Country, extending respect to our Aboriginal and Torres Strait Islander sisters and brothers whose connection with this land, and each other, can teach us so much.

We reiterate what St John Paul II said to all Aboriginal and Torres Strait Islander peoples:

“You are part of Australia and Australia is part of you. And the Church herself in Australia will not be fully the Church that Jesus wants her to be until you have made your contribution to her life and until that contribution has been joyfully received by others.”

We recommit ourselves to this mission of listening, inclusion, and unity.

Program Information

Welcome to the 2024 Professional Development Program for Professional Standards and Safeguarding! This year we are pleased to continue to offer you a number of options, both online and in person, that we hope you will find helpful for your continued professional development as part of the diocesan commitment to developing and maintaining safe environments for everyone.

As in past years, the Bishop has mandated that all diocesan leaders and other specified personnel must complete **at least 10 units** of professional development in the areas of professional standards and safeguarding every calendar year. On the calendar below, you can see what the Diocese has to offer for the coming year. There are a range of workshops available, some repeated due to popular demand and some new topics. We ask you to read the workshop descriptions carefully before enrolling to ensure that the content of the workshop will be valuable to your ministry/work.

REGISTRATION IS NECESSARY

Only those who have registered for the workshops will get an email ahead of time with the ZOOM link and workshop specific information, such as changes to the method of delivery or location of the session. To register, go to the “Diocesan Leadership Professional Development Program Registration” page and fill out the online form: dow.sh/OPSS_LPDP

If you have any difficulties in filling out the form, please contact the Office of Professional Standards and Safeguarding (OPSS) at training@dow.org.au, or telephone us on **(02) 4222 2431**.

Registration will close one week before the start of each program, or when a workshop reaches capacity, whichever comes first. If you are unable to attend a workshop, please inform the OPSS at training@dow.org.au since there is a limited capacity for each session and your registration can be transferred to another person if you are unable to attend. Once you receive the Zoom link, we respectfully ask that you do not provide the link to anyone else. Individuals must register directly to be considered enrolled for a workshop.

HOW TO APPLY FOR RECOGNITION AND CREDIT FOR PRIOR PROFESSIONAL DEVELOPMENT

The professional development opportunities in this program are opportunities provided by the Diocese to help you in fulfilling the professional development requirement linked with your role's leadership position. However, it should be noted that there are several external professional development courses available that will also fulfill the criteria for recognition for prior professional development. As a result, if you attend a workshop delivered by an external provider that addresses subjects related to safeguarding and professional standards, you may be eligible for credit points for your participation in the external course.

You will need to go to the website dow.sh/OPSS_LPDP and click on the appropriate link to access the online application form for **recognition and credit for prior professional development**. Recognition for prior learning is assessed based on relevance of professional development to the Child Safe Standards and National Catholic Safeguarding Standards.

Please keep in mind that the workshop(s) must have taken place during the same calendar year for which you are seeking credit, and evidence of attendance and completion will be required to process your application.

All recognition of prior professional development is due by 30th November 2024.

If you need help applying for credit, please contact the OPSS at training@dow.org.au.

Workshop details & descriptions

Building Foundations

Date: Friday 8th, March 2024
Time: 10:00am – 5:00pm
Mode: F2F
Presenter: Michelle Scobie – Integro Partners

Description: An understanding of the legislative obligations and diocesan requirements is a crucial foundation preceding the attainment of specialised skills in the area of safeguarding and professional standards.

This workshop is designed to provide a foundational understanding of key safeguarding and professional standard principles and the content of the presentation will ensure that attendees have a comprehensive overview of the legislative obligations and diocesan requirements that are expected of those working and ministering in the Diocese with children, young people and vulnerable persons.

Leaders who are new to the Diocese or have recently taken up a leadership position in the Diocese are required to complete this workshop or a similar alternative foundational workshop. This workshop is also appropriate for anyone who would like a refresher on foundational child protection principles and associated diocesan policies.

Vicarious Trauma

Date: Tuesday 19th, March 2024
Time: 10:30am – 2:00pm
Mode: ZOOM
Presenter: Deb Walker – Trinity Psychology

Description: Our ability to cope well with high levels of ongoing disruptive change is important in our various roles as we face each day with its different challenges. Often people in positions of leadership not only navigate their own challenges, but are responsible for supporting workers and the people who we serve in our work as they navigate their own unique challenges. While we know there is a need to sustain good health and energy despite work pressures, external pressures, setbacks and adversities, sometimes our wellbeing can be impacted by the trauma of others.

This workshop seeks to explore how vicarious trauma impacts our abilities to function at full capacity, and how we can understand how to identify when we need assistance and develop sound resilience strategies. This is done through learning about what neuroscience is teaching us about how our brains manage when we feel overwhelmed and developing appropriate strategies for our individual contexts. This can help us safeguard ourselves so that we are better equipped in our ministries as leaders, and better equipped to support our workers and serve our communities.

Understanding our roles in preventing child abuse and neglect

Date: Thursday 4th, April 2024
Time: 1:00pm – 4:30 pm
Mode: F2F
Presenter: Trista Newitt – NAPCAN

Description: Children are most safe when adults around them are able to play a part in preventing abuse and neglect. They do this by understanding their roles and responsibilities, and learning how to identify early signs or risk factors, knowing how to respond to disclosures and knowing their legal requirements.

This workshop will focus on these areas while also raising awareness about the importance of prevention and intervention.

Working with Vulnerable People – Elderly

Date: Wednesday 1st, May 2024
Time: 1:00pm – 4:30pm
Mode: F2F
Presenter: Michelle Scobie – Integroe Partners

Description: The elderly are amongst the most vulnerable people in our community. Participants will be provided with information about the issues associated with ensuring safe environments for older persons in the services that we offer.

The workshop will also explore the ways in which to identify risk issues and best practice approaches to managing risk, addressing risk and practice issues and maintaining safe environments for the elderly in our community.

Lifecycle of Employment

Date: Thursday 9th, May 2024

Time: 1:00pm – 4:30pm

Mode: F2F

Presenter: Paul Davis – Integro Partners

Description: It is important for all persons in positions of leadership to have a detailed understanding of the life cycle of employment relationships so that staff can be supported and managed appropriately to ensure safe, authentic and flourishing environments across the Diocese. In light of this, this workshop will explore the issues and challenges experienced by leaders from the stage of recruitment through to the potential termination of employment.

A detailed understanding of these processes will assist in minimising the risks related to the management of employment relationships from volunteers to paid workers, while also providing effective strategies when faced with challenges.

Interconnections in Child Safety

Date: Tuesday 14th, May 2024

Time: 9:30am – 4:30 pm

Mode: F2F

Presenter: Beth Woodstone – Catholic Education

Description: Child safety concerns are inherently complex, often involving interconnected vulnerabilities and protective factors. Therefore, the people and systems responsible for preventing and responding to such concerns need to recognise the complexity and be supported by interconnected systems.

This training will have a dual focus. Firstly, it will map how Diocese of Wollongong systems and processes support responses to complex child safety concerns across pastoral works. Then, using a 'communities of practice' framework, participants will discuss complex case studies pertinent to their role, sharing experiences, barriers and prior learnings.

Privacy and Confidentiality

Date: Tuesday 4th, June 2024

Time: 1:00pm – 4:30pm

Mode: ZOOM

Presenter: Alex Kohn – Makinson d'Apice Lawyers

Description: As an employee, it is important to be aware of privacy and confidentiality responsibilities and procedures, as well as the rationale behind their existence. This workshop will assist participants in being informed about the various requirements, develop an understanding of the importance of adhering to these requirements, and an understanding of or an inability to maintain privacy and confidentiality across numerous platforms might threaten the most vulnerable members of our community.

Additionally, key concepts such as records management, the length of time records should be maintained, when and why data can be shared, and privacy and confidentiality regulations will be discussed throughout the training session.

Managing Challenging Behaviours in the Workplace

Date: Tuesday 18th, June 2024
Time: 10:30am – 2:00pm
Mode: ZOOM
Presenter: Deb Walker – Trinity Psychology

Description: Cultivating a healthy, positive work environment and having an understanding of how to approach and handle challenging employee behaviour is both relevant and crucial to maintaining safe environments for everyone. This workshop will focus on the importance of having the tough conversations early, the benefits of performance management processes, and the role of a leader in supporting development and accountability where challenging behaviours have been displayed.

The suitability of staff in positions where they work with children and/or vulnerable people is crucial in ensuring that the diocese practises safe behaviours and holds people indiscriminately accountable to best practice professional standards.

Interconnections in Child Safety

Date: Friday 28th, June 2024
Time: 9:30am – 4:30 pm
Mode: F2F
Presenter: Beth Woodstone – Catholic Education

Description: Child safety concerns are inherently complex, often involving interconnected vulnerabilities and protective factors. Therefore, the people and systems responsible for preventing and responding to such concerns need to recognise the complexity and be supported by interconnected systems.

This training will have a dual focus. Firstly, it will map how Diocese of Wollongong systems and processes support responses to complex child safety concerns across pastoral works. Then, using a 'communities of practice' framework, participants will discuss complex case studies pertinent to their role, sharing experiences, barriers and prior learnings.

Developing a Child Safe Risk Management Plan and Child Safe Reporting Obligations

Date: Tuesday 2nd, July 2024
Time: 1:00pm – 4:30pm
Mode: F2F
Presenter: Sean Kendall – OCG

Description: The NSW Child Safe Standards are critical to understand when working with children. This workshop canvasses the need for risk management strategies to be implemented in order to prevent, identify and mitigate risks to children. Child protection is the responsibility of everyone, whether it be people ministering or working in the Diocese, or the larger community. However, leaders in the Diocese have a particular responsibility for ensuring that all areas of the Diocese remain child-safe environments, and to do this, an understanding of the purpose and effectiveness of risk assessments is essential.

Understanding Emotional Intelligence

Date: Friday 19th, July 2024
Time: 1:00pm – 4:30pm
Mode: ZOOM
Presenter: Carolyn Cousins – Tuned in Consulting

Description: In all areas of ministry the practice of emotional intelligence (EI) — the ability to perceive, use, understand, manage, and handle emotions — is essential. Participants who attend this training will be provided with information to assist them to consider EI in the context of their leadership styles.

This workshop provides a specialised overview of the fundamental findings of EI from neuroscience studies and provides information about the process of developing EI is a fundamental tool in ensuring that we, and those we lead, are able suitable and well-equipped to ensure the safety and wellbeing of children and vulnerable people throughout the Diocese.

Building Foundations

Date: Friday 1st, August 2024
Time: 9:00am – 4:00pm
Mode: F2F
Presenter: Michelle Scobie – Integro Partners

Description: An understanding of the legislative obligations and diocesan requirements is a crucial foundation preceding the attainment of specialised skills in the area of safeguarding and professional standards.

This workshop is designed to provide a foundational understanding of key safeguarding and professional standard principles and the content of the presentation will ensure that attendees have a comprehensive overview of the legislative obligations and diocesan requirements that are expected of those working and ministering in the Diocese with children, young people and vulnerable persons.

Leaders who are new to the Diocese or have recently taken up a leadership position in the Diocese are required to complete this workshop or a similar alternative foundational workshop. This workshop is also appropriate for anyone who would like a refresher on foundational child protection principles and associated diocesan policies.

Creating Child Safe Organisations

Date: Thursday 15th, August 2024
Time: 1:00pm – 4:30pm
Mode: ZOOM
Presenter: Trista Newitt – NAPCAN

Description: As leaders in the Diocese it is vital that we have a common understanding of the legislative requirements and best practice approaches in relation to implementing and maintaining child-safe organisational practices. 'Creating A Child Safe Organisation', presented by NAPCAN, aims to provide participants with a foundational understanding of these legislative requirements and best practice approaches.

The workshop also focuses on instituting a culture that supports and engages children and families as a key component in maintaining child safe environments. Further, the workshop covers content related to the development of the right policies, procedures, and practices to keep children safe, including the existence of conduct requirements, effective recruitment practices, and trauma-informed complaints management processes. Through participation in this workshop, participants will acquire information and strategies that can be taken back and applied to their local contexts.

Listening to the voice of the Child when there are issues of safety

Date: Wednesday 28th, August 2024

Time: 10:30am – 2:00pm

Mode: F2F

Presenter: Rebecca Waterson and Leanne Fawcett

Description: Regardless of the organisational setting, as professionals working with vulnerable children and young people, it is integral that our work reflects a commitment to working with and for children and young people to ensure their voice is not lost in the execution of Policy and Procedure. Secondly, this workshop aims to highlight that the promotion of the child's voice enhances positive outcomes across all health and wellbeing indicators.

This workshop will call upon current evidence-based literature that strongly supports the prioritisation of the child(ren)/young person(s) voice in service provision, and provides ample argument that these benefits extend to the effectiveness of professional stakeholder relationships (common goal construction), and influence effective organisational output.

Further, this workshop provides a timely reminder post-royal commission that as workers whom hold a privileged position, we should always remember that children and young people are experts in their own lives; our understanding of this is crucial to better support their safety and critically, prevent further harm.

Courageous Leadership

Date: Tuesday 3rd, September 2024

Time: 10:30am – 2:00pm

Mode: F2F

Presenter: Michelle Scobie – Integroe Partners

Description: Working as a leader to ensure that safe environments are created and maintained requires knowledge, skills and courage. This workshop will explore the concept of courageous leadership and what it means to lead in this way.

The content covered will look at the importance of speaking up when something does not seem right, the way in which to support staff and volunteers when they speak up, and the frameworks that keep everyone safe to open conversations about addressing issues and improving practices.

Wellbeing and Resilience

Date: Thursday 26th, September 2024

Time: 10:30am – 2:00 pm

Mode: ZOOM

Presenter: Deb Walker – Trinity Psychology

Description: Ensuring staff are suitable and supported in their positions is an important element in assisting the maintenance of a safe environment. When self care and wellbeing are not being prioritised, it is not only ourselves that are being impacted - the people we serve, the communities we work in, our colleagues and our families are often at the forefront of the consequences of our own poor wellbeing practices.

This workshop is designed to provide you with the tools to identify high risk behaviours in yourselves and others and give you self care strategies to implement and share with those who you lead.

Privacy and Confidentiality

Date: Wednesday 16th, October 2024

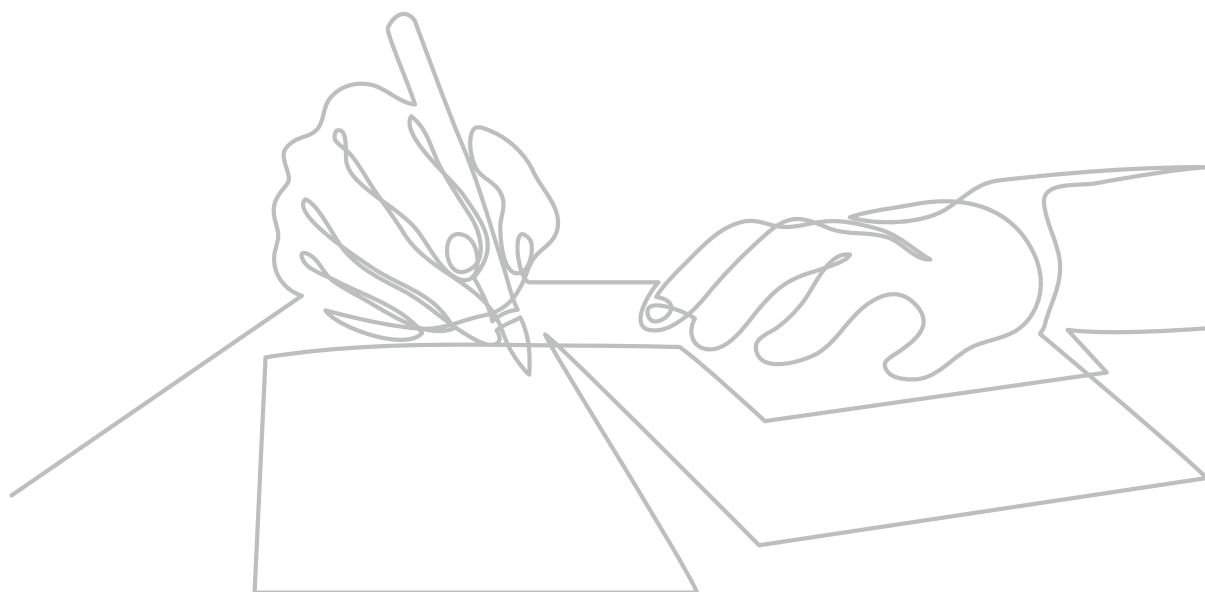

Time: 1:00pm – 4:30pm

Mode: ZOOM

Presenter: Alex Kohn – Makinson d'Apice Lawyers

Description: As an employee, it is important to be aware of privacy and confidentiality responsibilities and procedures, as well as the rationale behind their existence. This workshop will assist participants in being informed about the various requirements, develop a complete understanding of the importance of adhering to these requirements, and an understanding of or an inability to maintain privacy and confidentiality across numerous platforms might threaten the most vulnerable members of our community.

Additionally, key concepts such as records management, the length of time records should be maintained, when and why data can be shared, and privacy and confidentiality regulations will be discussed throughout the training session.

Working with Vulnerable People –Culturally and Linguistically Diverse (CALD)

Date: Thursday 24th, October 2024
Time: 1:00pm – 4:30pm
Mode: ZOOM
Presenter: Multicultural Communities Council of Illawarra

Description: One of the strengths of our community is the cultural diversity which we see across our diocese. In order to make sure that equity is upheld and diverse needs are taken into account it is important that we have a sound cultural awareness so that we are able to provide safe and appropriate ministry to all persons that we serve and work with.

This workshop will allow participants to further develop their understanding of the particular vulnerabilities associated with people who are culturally and linguistically diverse (CALD), as well as exploring tools and strategies to encourage people from CALD backgrounds to feel welcome and included in the various pastoral works of our diocese.

Developing a Child Safe Risk Management Plan and Child Safe Reporting Obligations

Date: Wednesday 6th, November 2024
Time: 10:30am – 2:00pm
Mode: F2F
Presenter: Sean Kendall – OCG

Description: The NSW Child Safe Standards are critical to understand when working with children. This workshop canvasses the need for risk management strategies to be implemented in order to prevent, identify and mitigate risks to children. Child protection is the responsibility of everyone, whether it be people ministering or working in the Diocese, or the larger community. However, leaders in the Diocese have a particular responsibility for ensuring that all areas of the Diocese remain child-safe environments, and to do this, an understanding of the purpose and effectiveness of risk assessments is essential.

Integrity in our Common Mission

Date: Tuesday 19th, November 2024
Time: 1:00pm – 4:30pm
Mode: F2F
Presenter: Office of Professional Standards and Safeguarding

Description: Earlier this year, the document 'Integrity in Our Common Mission' was released as the new foundational code of conduct which replaces the previous documents of 'Integrity in the Service of Our Church' and 'Integrity in Ministry'. This is an important document that demonstrates the national commitment to safe and accountable practices for everyone who ministers, works and volunteers in the Diocese.

Join us for this workshop to break open this new document and learn how we as a Diocese can ensure best practice approaches to the ministry and work we undertake in the Diocese.
